MEDIA RELEASE – FOR IMMEDIATE DISTRIBUTION

Allsorts of success for de Poel at the 2007 CIPD Exhibition

Leading independent consultants and recruitment industry experts de Poel stole the show at this year's CIPD exhibition with their innovative services and solutions for both the temporary and permanent sectors.

The show which took place in Harrogate from 18-20th

September and covers the entire range of critical HR issues is considered by de Poel to be one of the industry's best and most informative annual exhibitions.

The sales team from de Poel were led by newly appointed PermPort™ director, Alison Harter and backed by eye-catching jugglers, balloon makers and a pink flamingo. Managing Director John Simmonds also lent his support to the team on the penultimate day of the exhibition. de Poel's allsorts themed stand certainly drew the crowds at Harrogate's International Conference Centre.

de Poel exhibited their entire range of temporary and permanent workforce management solutions and including; e-tips™ (electronic timesheet and invoice processing system), sub-e™ (online sub-contractor management system) and PermPort™ (web based permanent recruitment management system).

Alison Harter believes that the 2007 CIPD exhibition yet for de Poel “The success of this year’s exhibition overwhelming with the influx of sales leads and level of cost reduction consultancy and unique labour solutions expectations. “
